Space limitations preclude the inclusion here of a listing of book reviews published in 1972. This list will appear in the January 1973 issue of the GAZETTE in the BOOKS section. Remember: our Bookservice can order any book that is published in the United States that is currently in print, and at a considerable saving to MCA members. Why not take advantage of this service today? Also, see pages 14 and 15 of this issue regarding a special sale of books currently stocked in our bookstore.
